Welcome back –

Wanted: dried pasta for the mud kitchen and any craft materials please.

Self-help skills – we are supporting children with extended maths skills using numbers 0-20 and putting on their own socks and shoes.

Website: www.pacey.org.uk

Lots of fact sheets on how to get your child ready for school

<https://www.childcarechoices.gov.uk>

Thank you for all those who contributed to the Easter raffle and cake sale which raised a welcomed £80.05 and will go towards a water activity.

School Admissions – Can you please let us know which school your child will be attending so we can inform the teacher.

It is also important for you to telephone us if your child is going to be away for any reason, especially if they have an illness that other parents need to know about. We also need to know about any existing injuries.

Garden We shall hopefully spend a lot of time in the garden this term, so please ensure children wear suitable shoes, sun cream and have named sun hats. If anyone can spare some time to help sort the garden then that would be appreciated.

Tapestry Reports – We hope you have time to read your child's Spring report and have added any interests and comments to them.

June trips – In June each year we try to arrange trips out with parents/carers involvement and just to give you some advance warning we are hoping to go by train to Dawlish on Thursday 13 June and to Oddicombe beach on Tuesday 18 June. We also aim to have a trip out in our last week 8-12 July and if you have any suggestions then please let us know where you would like to go. More details to follow.

Lastly we wish to make rainbow patterns with any change you may have to raise funds for garden compost and equipment.

Makaton signs – (see noticeboard) Related to The Very Hungry Caterpillar story

This half term we are looking at the following:-

		Letter sounds
Week 1/ 2	Schools	ck e
Week 3 / 4	Health eating	h r
