School visits - We are hoping that some teachers may wish to visit our setting. If any of the children have dates to visit their new school can you please let us know.

Trips - Jane has already spoken to most of you about the forthcoming trips which we are all looking forward to. There will be no Pre-school on these days as all practitioners will be on the trips. If this is a problem then please let us know.

Toddle On Wednesday 20 June we will be having a toddle to raise money for gardening improvements.

AGM on the Monday 25 June at 12.00 pm. This is an important date as we need parents to attend this meeting, even if your child is leaving us, in order for the Pre-school to run in September. We shall also be looking for new committee members. If you would like more information on what is involved then please ask.

Garden - Please don't forget to put sun cream on your child, wear sensible shoes and if they bring their own hats can you put their name in please and leave it out for us to put in the show and tell basket, but if you forget we do have some to use.
