Please remember online safety with your children and the age restrictions.

School visits – We are not sure what the arrangements will be for children transitioning into school. However, your child's keyperson will be catching up with you to discuss their transition report very soon.

Trips – We are waiting until 21 June to see if we can arrange an end of term trip. If we do manage to book something there will be no Pre-school on this day as all practitioners will be on the trips. If you have any ideas or if this is a problem then please let us know.

Bags for school as the previous clothes collection was very successful we wondered whether there would be enough interest to do another before the end of term. Perhaps you could let us know whether you would have anything to donate. Thank you.

AGM on the Friday 2 July at 9.10 am. This is an important date as we need parents to attend this meeting, even if your child is leaving us, in order for the Pre-school to run in September. We shall also be looking for new committee members. If you would like more information on what is involved then please ask.

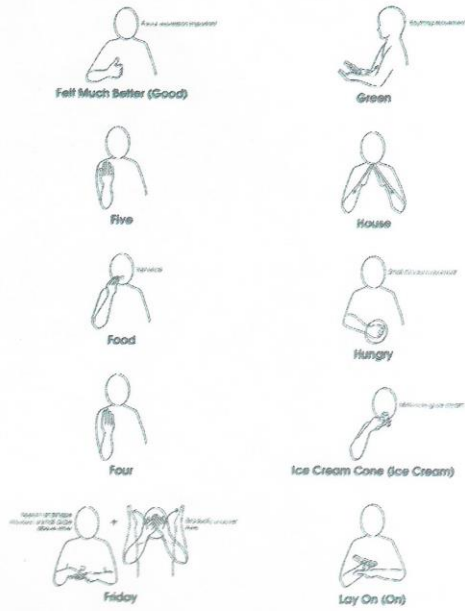

Garden – Please don't forget to put sun cream on your child. Also can they wear sensible shoes and if they bring their own hats can you put their name in please, but if you forget we do have some to use.

End of term trip – to be advised

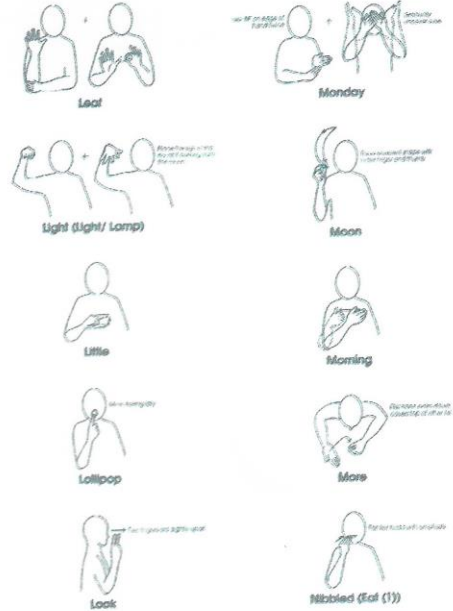

Finally – a polite reminder to please ensure your child is collected by 3.00 pm thank you.
