Smoking/vaping Policy

Statement of intent

Smoking is hazardous to health and we take this risk to children's health seriously.

Aim

We comply with health and safety regulations and the Early Years Foundation Stage in making our setting a non-smoking/vaping environment both indoors and outdoors.

Methods

- No smoking/vaping signs are displayed on the premises
- Practitioners who smoke/vape do not do so during working hours unless on a break and off the premises.
- Practitioners who smoke/vape during their break make every effort to reduce the effect of the odour and lingering effects of passive smoking/vaping for children and colleagues.
- Parents/carers are also requested not to smoke/vape around the children on any outings.
